MEMORANDUM FOR: Designated Recipients

SUBJECT: The CCP Article, "More on the Historical Experience of the Dictatorship of the Proletariat", as an Expression of the International Communist Party Line for 1957

1. Attached are \_\_\_\_\_ copies of subject brief for field and headquarters use. Affixed to each copy is a self-explanatory blind memorandum which should be forwarded along with the station copy(ies) of the brief.

2. We feel that the 28 December statement of the Chinese Communist Party (which the attached brief analyzes) is of international significance for the Communist Movement. Communist Parties in Latin America, Near and Far East will probably pay close attention to it. In Europe also the views of CP China will have greater weight, particularly in the wake of Chou En-lai's recent visit to Eastern Europe.
